## Statement of Management's responsibility for the preparation and approval of the financial statements on the Project

The Management of the Scientific Methodological Institution "National Institute of Education" of the Ministry of Education (hereinafter - National Institute of Education) is responsible for the preparation of the financial statements on the Project "Belarus Education Modernization Project" (hereinafter - the Project) financed by the International Bank for Reconstruction and Development (hereinafter - IBRD) under the loan agreement No. 8943-BY dated 26 April 2019 for the period from 02 October 2019 to 31 December 2020 which fairly reflect in all material respects the information on the sources and use of the Project funds, the financial position of the Project accounts for the specified period.

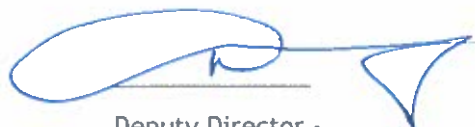

In the preparation of the financial statements on the Project, the Management is responsible for:

- The choice of the accounting policy and its consistent application;
- presentation of information in accordance with IBRD rules and the selected accounting policies.

Management is also responsible for:

- development, implementation and maintenance of an effective and reliable internal control system on the Project;
- maintenance of accounting in accordance with IBRD rules and the selected accounting policies;
- taking all possible reasonable steps to safeguard assets under the Project;
- preventing and detecting fraud and other irregularities.

These financial statement on the Project for the period from 02 October 2019 to 31 December 2020 were approved by the Management on 12 May 2021.

## INDEPENDENT AUDITOR'S REPORT ON A SPECIAL PURPOSE AUDIT ENGAGEMENT

To the Management of the Belarus Education Modernization Project and to the Management of Scientific Methodological Institution "National Institution of Education" of the Ministry of Education of the Republic of Belarus

Ref. number: 04-05/55

Date: 12.05.2021

### Information about the auditee:

Name: Scientific Methodological Institution "National Institution of Education" of the Ministry of Education of the Republic of Belarus (hereinafter - NIE)

Location: Republic of Belarus, 22004, Minsk, 16 Korolya str.

Payer's identification number: 190374888

## Opinion

We have audited the financial statements on the Project "Belarus Education Modernization Project" (hereinafter - Project) financed by the International Bank for Reconstruction and Development (hereinafter - IBRD) in accordance with the loan agreement No. 8943-BY dated 26 April 2019 for the period from 02 October 2019 to 31 December 2020 which comprise:

- ▶ Project Sources and Uses of Funds Statement;
- ▶ Uses of Funds Statement;
- ▶ Designated Account Statement;
- ▶ Transit Account Statement;
- ▶ SOE Withdrawal Schedule;
- ▶ Notes to the financial statements on the Project.

In our opinion, the financial statements on the Project fairly in all material respects present the objective information on the sources and use of the Project funds for the period from 02 October 2019 to 31 December 2020 in accordance with the IBRD rules and the applicable accounting policy.

In our opinion, the Designated account statement and the Transit account statement correctly and fairly present the financial position of the Project accounts for the period from 02 October 2019 to 31 December 2020 in accordance with the IBRD rules and applicable accounting policies.

In addition, adequate supporting documentation was maintained for statements of expenditures for the period from 02 October 2019 to 31 December 2020 to support claims submitted to IBRD for reimbursement of expenditures incurred and the expenditures claimed are subject to financing in accordance with IBRD rules and the loan agreement.

## Basis for opinion

We conducted the audit in accordance with the requirements of the Law of the Republic of Belarus No. 56-Z dated 12 July 2013 No. "On Auditing Activities", the national rules of auditing activity and the International Standards on Auditing (hereinafter - ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit on a Special Purpose Audit Engagement section of our report.

We are independent of NIE in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and ethical requirements relevant to the audit of financial statements in the Republic of Belarus, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Emphasis of Matter. Accounting principles

The financial statements on the Project are prepared in accordance with IBRD rules. The accounting policy is to prepare financial statements on the Project on the basis of the cash method. In accordance with this method, income and expenses are recognized as cash is received or spent rather than on an accrual basis.

## Responsibilities of the Auditee for the Preparation of the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements on the Project in accordance with IBRD rules, and for such internal control as Management determines necessary to enable the preparation of financial statements on the Project that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements on the Project, Management is responsible for assessing the ability of the auditee to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the auditee or to cease operations, or has no realistic alternative but to do so.

## Auditor's Responsibilities for the Audit on a Special Purpose Audit Engagement

Our objectives are to obtain reasonable assurance about whether the financial statements on the Project as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

## Auditor's Responsibilities for the Audit on a Special Purpose Audit Engagement (continued)

As part of an audit, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements on the Project, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of NIE in the implementation of the Project.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- ▶ Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the NIE's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the auditee to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear influence on auditors' independence, and, where applicable, all related safeguards.

## Auditor's Responsibilities for the Audit on a Special Purpose Audit Engagement (ending)

From the matters communicated with those charged with governance, we determine the matters that were most relevant to the audit of the financial statements on the Project for the current period and, therefore, are key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about these matters or, in very rare cases, when we determine that the information on a particular matter should not be disclosed since the adverse consequences of such disclosure would reasonably be expected to outweigh the public interest benefits of such communication.
